RE: Carroll v. City of Mount Vernon, et al.

Dear Justice Briant:

We represent the Plaintiff, Joseph Carroll, in the above-entitled action that was commenced on or about December 26, 2007. Shortly thereafter, the Defendants, through their counsel, Bond Schoeneck & King, PLLC, moved to dismiss the Complaint.

This letter is sent as a follow up to our earlier [February] letter to the Court in which we asked for an adjournment. I am writing to ask for a further adjournment. We believe that a further adjournment would lead to judicial economy because of our prospective willingness to agreeing to withdraw some of the causes of action pursuant to the defendants' motion.

Opposing counsel consents to an adjournment. We have forwarded herewith a copy of the e-mail we received from them earlier today. We have also forwarded a copy of the letter we received from the EEOC regarding our request for a Right-to-Sue letter.

It is our respectful request that the return date on the motion be adjourned 30 days so as to allow the parties to address the issues raised by the defendants' motion without further court involvement.

*That adjournment is agreed to May 2, 2008

Mr. Fleming:

Howard is out of this office and asked that I contact you regarding your request for an extension of time so that you may obtain a Right to Sue letter from the EEOC. Whatever adjournment you need while you wait on the EEOC is fine with us. If you want to send a stipulation or write the court that we consent, either is fine, just let us know how you would like to approach this. Feel free to call with any questions. Thanks.

Good morning Howard: I left a telephone message for you this morning. The Court will likely grant us a brief adjournment if you consent to it. Please contact me to let me know if you can consent to a brief adjournment of our schedule. Thank you. APF
